Updating To Studio One 4.5

Normally one should not really update the bios unless you are experiencing issues which a newer version address, which appears to be the situation in your case.. Aug 22, 2015 Unless you're running your signal really hot just put a limiter on your master channel to catch any occasional clipping peaks.. Home Built Sandy Bridge P8P67 i7 2600k @ 4 5 GHz 8gigs GSkill Ripjaws Corsair 800D Case and AX1200 Ps X-Fi Titanium Fatal1ty pro PCIe Sound Card Dell Studio XPS 1645 Window 10 Pro.
